

Sixth race

Šesto jedrenje

To što će i nakon šestog jedrenja Međunarodni žiri imati puno posla – protesta je kao u priči – nije vijest. To je samo potvrda da je VIP IMS Mediteransko prvenstvo jedno ozbiljno natjecanje – kazao je Zoran Grubiša.

Vijest je, što Giorgio Goldoni i njegova posada na jedrilici «Sixty Group» nisu osvojili prvo mjesto. Opustili su se nakon četiri pobjede i jednog drugog mjesta i saznanja da im je pobjeda u Cresu u džepu. U šestom jedrenju legendarni «Bribon» je u cilj ušao kao treći.

Start je dan po jugozapadnjaku koji je puhao do 14 čvorova u 13.30. Najbrži «Mas!» s kormilarom Robertom Rauhoferom osam je nautičkih milja dugi štap kurs prošao za 1.11.54. No, nije stvorio dovoljnu vremensku razliku za plasman bolji od 11. mjesta. Pobjednik je krstaš «Igienstudio Saula» - kormilar Robert Ferrarese. Sjajni su jedriličari iz Chiogga-e na «X-u 40». Da nije bio OCS-a u prvom jedrenju bili bi bliži drugom mjestu u ukupnom redoslijedu. Ovako zaostaju deset velikih, ali teoretički u posljednjem sedmo jedrenju dostižnih bodova.

Drugi je Paolo Montefusco na jedrilici «Pac & V», modificiranom «Dufour-u 40», a treći krstaš «Syxty Group» s Giorgiom Goldonijem. Najbolji hrvatski brod je «Karuba» s Darkom Hajdinjakom na četvrtom mjestu. U posadi Darkoa Hajdinjaka bila je i olimpijka, skijašica Nika Fleiss.

Na čelu se ni nakon šest jedrenja ništa nije promijenilo. Prvi Giorgio Goldoni, drugi Darko Hajdinjak, treći «Il colore del vento» - kormilar Franco Corazza.

Danas je posljednje, sedmo jedrenje. Borba za treće mjesto trebala bi biti jedina posebnost. Tko zna?

The fact that international jury after this sixth race has stacks of complaints to solve is not a news anymore. "In a way it is a confirmation that this VIP IMS Mediterranean championships is very serious competition", stated Zoran Grubisa. The fact that Giorgio Goldoni and his crew on boat "Sixty" did not win today could qualify for a news category. They loosen up a bit and after securing the overall win, with 4 victories and 1 second place. Today they managed "only" 3rd place. Race started at 1:30 p.m. with southwestern wind of 14 knots. Fastest boat today "Mas!" with skipper Robertom Rauhoferom covered today's racing field in 1:11.54. However, it was only good enough for 11th place in overall rankings.

Boat «Igienstudio Saula» - skipper Robert Ferrarese was victorious today. Sailors from Chiogga on boat «X 40» were excellent today. If it was not for OCS-a in first race they would have been closer to second place overall. After 6 races they are 10 points behind and theoretically still in the race for second place. Second place went to Paolo Montefusco on «Pac & V», tailored «Dufour-u 40», third to «Syxty Group» with Giorgio Goldoni. Best croatian boat was «Karuba» with Darko Hajdinjak in fourth place. Nika Fleiss, a Croatian Olympic skier was a member of his crew in today's race. U posadi Darka Hajdinjaka bila je i hrvatska olimpijka, skijašica Nika Fleiss.

There were no changes among our leaders after this race. Leader Giorgio Goldoni, second Darko Hajdinjak, third «Il colore del vento» - skipper Franco Corazza.

Today is last race. Battle for the third place solely can attract our attention. Or not....?

My point of view - Ivica Šćurić

Iz mog ugla - Ivica Šćurić

Vrlo dobro smo startali. No, nismo jedrili idealnom putanjom, a i okret već na prvom bovi nije nam bio sjajan. Iskoristili su to veći brodovi, imali smo i jedan kiks koji nas je koštao boljeg plasmana. Nismo najbolje digli spinaker, omotao se samo oko sebe. Izgubili smo brzinu i dragocjene sekunde. I završili kao osmi.

Zadovoljni smo plasmanom – ukupno smo šesti. Objektivno, da je sve štimalo mogli smo biti mjesto dva bolje plasirani. Stavili smo uoči sezone još 100 kilograma olova – teži smo i što je nevjerojatno poboljšali smo performanse broda. Dodati ćemo još što – nikad se ne zna.

Da moramo zahvaliti sponzoru – tvrtki «Mariterm», zastupniku «Riella», poznatog talijanskog proizvođača goruća za kotlove i klima uređaja. Bez njihove pomoći bili bi prikraćeni za sudjelovanje na VIP IMS Mediteranskom prvenstvu u Cresu.

Pozivamo sve posade da iduću vikend dođu u Opatiju. Od 2. do 4. srpnja organiziramo Opatijski tjedan jedrenja, već 22. danonoćnu regatu «Galiola 2004» - četvrto natjecanje Yacht sport Cup-a.

I da, u rujnu se ponovo vidimo u Cresu, na VIP IMS 600 Svjetskom prvenstvu. Zadovoljit ćemo jedini uvjet koji nam nedostaje. Nakon Galiole krećemo sa serijskom proizvodnjom jedrilica IMS 35...

We had a very good start. Still, we did not choose an ideal course, and our first turn wasn't great. We made a blunder and bigger boats used it, we dropped down in the race. We did not raise spinnaker well, it got tangled, and we lost speed and precious seconds ended up in 8th place. Overall we are in 6th place and we are satisfied. If everything worked as we planned we could have moved two places up.

Before this season started we added 100 kg of lead on the boat to make it heavier, and to our surprise we enhanced boat's performances. We might add another 100 kg., you never know.

We must mention and thank our sponsors «Mariterm», official dealer of Italian corporation «Riella». Without their help we would not even be here.

We invite everybody to visit Opatija next week. First weekend in July we organize Opatija's sailing week, 22nd 24-hour regatta «Galiola» – the fourth stage in Yacht sport Cup. And off course we will see you again here in Cres in September for VIP IMS 600 World championships. We will accomplish ultimate condition still missing. After Galiola we will start factory manufacturing of IMS 35...

NOVI LIST

VIP IMS Mediterranean Championship Cres, 19-26.06.2004.

INTERVIEW: **DARIJA VASIĆ** director of Cres Tourist board

Želimo Cres sa četiri zvjezdice

Turističke su zajednice u Hrvatskoj mala ministarstva turizma u gradovima i županijama pa je direktorica Turističke zajednice Grada Cresa Darija Vasić najpoznatija da nam pokaže cresko turističko danas i sutra. -Prije svega želim još jednom izraziti dobrodošlicu svim jedrilničarima koji su došli na VIP IMS Mediteransko prvenstvo, kao i svima koji rade u organizaciji ili prate natjecanja. Cres živi od turizma i svaka ovakva akcija za nas je ujedno i promocija. Zato nas raduje što nam dolazite, želimo da se ugodno osjećate, dobro provedete, te da nam se ponovo vrate. Znamo da nismo savršeni, trebaju nam bolje ceste, češće trajektno veze, treba nam i pokoji hotel više kategorije...

Koji je strateški cilj razvoja turizma u Cresu?

Želimo Cres sa četiri zvjezdice, dakle turističku destinaciju koja će biti među najkvalitetnijima na Jadranu. U tom pravcu trenutno radimo planove, određuju se buduće turističke zone, njihovi potencijalni sadržaji. Za vrlo krako vrijeme, Cres će imati gotove projekte koje će moći ponuditi investitorima koji će ovdje poželjeti ulagati. I to ne samo u postelje, već i u sve prateće sadržaje i djelatnosti.

Od pratećih sadržaja za koje je Cres čini nam se posebno zainteresiran, na prvom je mjestu sport.

Istina. U sportske, kulturne i zabavne programe i sadržaje Turistička je zajednica uložila trećinu svoga proračuna. Ali, to ne doživljavamo kao davanje, već prije svega kao ulaganje. Sportskim manifestacijama produžava nam se sezona, dolaze nam novi gosti od kojih se dobar dio ponovo vrati. Na kraju krajeva pune se hoteli, restoranti... Tako se i nama, na kraju povećava prihod. Važnu ulogu u svemu tome ima i jedrenje. Uskoro nas očekuje i Svjetsko prvenstvo IMS 600 u Cresu.

Jedrenje svakako, to je jedan od prioritarnih sportova koje pratimo. Svjetsko prvenstvo jedrilničara je, čini mi se, najznačajniji, najviši

sportski događaj koji će se ove godine održati u Hrvatskoj. Pripremamo niz iznenađenja, spektakularno otvaranje i bogat program svakog dana tijekom održavanja prvenstva. Program kojim ćemo povezati jedrilničare u marini, turiste ali i domaće ljude, ACI Marinu i Grad Cres u jednu veliku jedrilničarsku pozornicu. Zato pozivam sve sudionike Mediteranskog prvenstva da nam se pridruže i na Svjetskom prvenstvu. Bit će opet naši dragi gosti.

Since tourist boards in Croatia are small Ministry of tourism within cities and counties, CEO of Cres tourist board is the right person to talk to regarding present and future tourism on Cres. -First of all let me extend a warm welcome to all sailors, organizers, and staff present at VIP IMS Mediterranean Championships. Tourism is very important to us and such events are our promotion. Thus we are happy with your each arrival, we wish you a pleasant stay, to have a good time in Cres, and to keep coming back. We know there are things that need improvements; we need better roads, more frequent ferry connections and a few more high quality hotels.

What is your strategic plan of Cres development?
We want Cres to become a 4 star destination, thus one of the highest quality destinations on Adriatic. We are moving in this direction, we are drawing future tourist zones. In a very short time we will have finished projects, available for investors to invest in all aspects of tourism.

It seems that sport is most important happening in Cres tourism.
Correct. Tourist board invested 1/3 of its budget in sports, cultural and entertainment events. Still, we do not consider it as giving money away, but investing it. Sporting events prolong our season, first time guests come and most of them do return. As a result our hotels and restaurants work better ... and at the end we all raise our profits.

Sailing plays an important part in all this, Very soon you will host World Championship IMS 600 here in Cres.

Definitely sailing is one of the sport of highest priority. Sailing World Championships is one of the biggest sporting events of the year in Croatia. We are planning a few surprises, extravagant grand opening, and interesting daily program. We intend to connect sailors in marina, tourists, local people, ACI marina and city of Cres into one giant sailing stage. Therefore I invite all competitors at Mediterranean Championships to join us again at World Championships. They will be our dear guests.

DSK

Krstaš «DSK» Darka Kesera, vodeći brod Yacht Sport Cupa - nakon dvije regate što su održane u Izoli i Punt-u - više ne jedri na trećem bodovnom natjecanju VIP IMS Mediteranskom prvenstvu u Cresu. Prerani start (OCS) u prvom jedrenju, te velika pogreška na 120 nautičkih milja dugoj navigaciji CRES - ROVINJ - CRES - rezultirali su odlukom Darka Kesera da brod i posadu povuče s regate.

Imat će priliku za popravak već idućeg vikenda na opatijskom jedrenju «Galiola 2004»...

DSK

Boat "DSK" Darka Kesera, our leader in Yacht Sport Cupa - after two stages in Izola and Puntat - does not sail here in Cres anymore. Early start (OCS) in first race, follow by a massive mistake in offshore race, caused decision of Darko Keser to withdraw crew and boat from regatta.

They will have an opportunity to redeem themselves next weekend at "Galiola 2004"
