Uvodnik / Editorial

Dragi jedriličari,

Kada jednu regatu organizirate već po 10. put, netko bi pomislio da je svaka regata ista. Ali nije, nova regata dovodi nove prijatelje, uz one stare koji već znaju što Cres nudi. Ali i oni svake godine pronadu nešto novo, nešto posebno, baš kao što sve nas Cres nanovo privuče svojom iskonskom ljepotom i gostoprimstvom. Zato nam je drago da nam je Offshore Racing Congress i ove godine povjerio organizaciju IMS Europskog prvenstva, a posebno smo ponosni što će Cres Sailing Week ugostiti prvu službenu regatu klase GP 42. Možda s malim brojem brodova, ali sjetimo se samo IMS regate u Cresu na kojoj je 2000. bilo samo 8 jedrilica da bi ove godine dočekali više od 60 jedrilica iz Austrije, Češke, Hrvatske, Italije, Portugala, Slovačke, Slovenije i Španjolske. IMS Europsko prvenstvo boduje se zajedno s IMS Prvenstvom Italije za IMS Trofej Jadrana, koji će nadamo se potaknuti daljnji razvoj IMS jedrenja te suradnju među klubovima, jedriličarima i organizatorima regata na Jadranu.

Konkurencija u Cresu nikad nije bila jača. Svi su spremni i gladni uspjeha. A na meniju je 7 „štap“ jedrenja i poznata navigacija od 120 NM. Šampanjac će na kraju otvoriti pobjednici, kao posebnu nagradu ORC-a. Vjerujem da ćete uživati u svemu što Creski tjedan jedrenja nudi: od uvjeta na moru do tradicionalnih zabava na kopnu koje i ove godine nude nešto novo.

Sve to naravno ne bi bilo moguće bez naših pokrovitelja i sponzora kojima se moram zahvaliti na svemu što čine za ovu regatu jer nje sigurno ne bi bilo bez najboljeg gradonačelnika među jedriličarima i jedriličara među gradonačelnicima, g. Gaetana Negovetića. Turistička zajednica Grada Cresa pobrinut će se da Cres upoznate još bolje, a uz nas su i Primorsko-goranska županija i Grad Rijeka. Hvala svim sponzorima, ACI Marini Cres, Restoranu Marina, Cafe baru i svima koji pomažu organizaciju Creskog jedriličarskog tjedna. Ipak, najveća zahvala ide onima koji direktno stvaraju ovu regatu onakvom kakva jest: međunarodnom žiriju, regatnom odboru, odboru premjerača, uredu regate, doktoru, roniocu, urednici „Corrected times-a“, grafičkoj pripremi, fotografu, prevoditeljici, voditelju press-centra, računalnoj podršci, serviseru gumenjaka i vozačima.

Svi su oni tu zbog vas. Mi smo spremni, a Vi? Želim Vam prave bordade u pravo vrijeme i dobar vjetar. Izvući najviše od svoje jedrilice, iskoristiti vjetar, uhvatiti svaku sekundu, bit će to želja svih vas ovih sedam dana. Želim Vam da u tome uspijete, a ako pružite najviše od svojih mogućnosti onda ste sigurni pobjednici. I ne zaboravite. „There is no stress in Cres.“

Zoran Grubiša
 Predsjednik organizacijskog odbora

Dear sailors,

When you organize a regatta for the tenth time some could easily think all regattas are exactly the same. That is surely not true, every new regatta brings new friends, along with the old ones that already know what Cres has to offer. Still, there is always something new, something special even for those who have been acquainted with the natural beauty and hospitality of Cres. It is our great pleasure that the Offshore Racing Congress has again given us the opportunity to organize the IMS European Championship, and we are especially proud because the Cres Sailing Week is going to host the first official regatta of the Class GP 42. Maybe with a small number of boats, but we must not forget the year 2000 when there were only eight sailboats on the IMS regatta here in Cres and today we have more than 60 participants from Austria, Czech Republic, Croatia, Italy, Portugal, Slovakia, Slovenia and Spain.

The IMS European Championship is rated together with the IMS Championship of Italy for the IMS trophy of the Adriatic, which will hopefully inspire further development of the IMS sailing and the collaboration among clubs, sailors and organizers of the Adriatic regatta.

We have the strongest competition even here in Cres. Everybody is set to go and hungry for success. There are seven Windward/Leeward Races and the famous 120 nm long Offshore Race on the menu. At the end the winners will get to open the champagne, a special reward of ORC. I strongly believe you will enjoy everything the Cres Sailing Week has to offer: from conditions on the sea to traditional parties ashore, including some new things this year.

Of course, none of this would be possible without our patrons and sponsors to whom I have to thank for their participation in the regatta, because there wouldn't be one without the best Major among sailors and the best sailor among majors, Mr. Gaetano Negovetić. The Tourist association of the Town of Cres will make sure to introduce Cres to you, and we have great support from Primorsko-goranska County and the Town of Rijeka. A big thanks to all the sponsors, ACI Marina Cres, Restaurant Marina, Caffe bar and all others that are involved in the organization of the Cres Sailing Week. However, the biggest "thank you" goes to those directly creating the regatta: international jury, race committee, measurement committee, race office, doctor, diver, editor of "Corrected times", graphic designers, photographer, translator, chief of press-center, computer support, life-raft repairman and the drivers.

They all came here just for you. We are ready, are You? I wish to all the "right tracks" in the correct time and some good wind. Getting the most from your sailboat, using the wind, seizing every second, those will be your wishes for the following seven days. I want you to succeed, and I believe that if you make good use of your potential you will be a sure winner. And don't forget: "There is no stress in Cres!"

Introducing the Cres Sailing Week

Najava otvaranja

Večeras u 21 sat na središnjem creskom Trgu Frane Petrića dogodit će se ono što smo svi zajedno dugo očekivali – svečanost otvaranja IMS Europskog prvenstva. Za razliku od ranijih godina kada se otvaranje održavalo u marini, ove godine Turistička zajednica Grada Cresa odlučila je da je središnji Trg mjesto koje će uz brojne sudionike, članove organizacije privući i stanovnike grada Cresa i okolice. Nazočnima će se obratiti Zoran Grubiša, predsjednik Organizacijskog odbora i tajnik Riječkog jedriličarskog kluba SCOR. Gradonačelnik grada Cresa Gaetano Negovetić će na pozornicu nakon Grubiše kako bi pozdravio sve koji će sljedećih osam dana boraviti u Cresu te svoje sugradane, a zatim će i službeno otvoriti ovogodišnji Cres Sailing Week i IMS Europsko prvenstvo. I tu je priči kraj, a na scenu stupa popularni trio Medea koji će se brinuti da fešta potraje do dugo u noć kako jedna europska smotra i zaslužuje. Biti će to večer koju nikako ne smijete propustiti. Vidimo se večeras na Trgu Frane Petrića u 21 sat!

The thing we all have been waiting for is finally going to happen tonight at 9:00 pm on the central Cres' square Frane Petrić – the opening festivity of IMS European Championship. Contrary to the previous years when we organized the opening in the Marina, this year the Tourist association of the Town of Cres has decided for the central square to be a perfect place where many participants, organisation members and inhabitants of Cres and the surroundings can easily join the festivity. All present will be greeted by the president of the Organizing committee and also the secretary of Sailing Club of Rijeka SCOR, Zoran Grubiša. Major of Town of Cres Gaetano Negovetić is coming on stage after Grubiša to greet everyone who is going to stay in Cres for the following eight days and all his fellow-citizen, and after that he is going to officially open this year's Cres Sailing Week and the IMS European Championship. And that is the end of the story, popular trio Medea will take it from there to make sure the party lasts till late night hours like every European festivity deserves. It is going to be the night nobody should miss. See you tonight at Square Frane Petrić at 9:00 pm.

IN MEMORIAM

Aldo Prodan i Ivan Domijan

međunarodnog žirija naših regata u Cresu. Ivana Domijana i Aldu Prodana pamtit ćemo prije svega kao velike prijatelje, ali i ljude koji su živjeli za jedrenje i s jedrenjem. Obojica su praktički cijeli život proveli uz more i jedra. Ive u svom „Galebu“, a Aldo u svom „Uljaniku“. Toliko je regata i milja projedrenih iza njih, ali isto toliko podignutih signala natjecanja, zabilježenih vremena starta i cilja, postavljenih bovi ... Tako najstariji član regatnog odbora, Aldo je uvijek bio na prvoj liniji cilja navigacije u Rovinju te smo njemu u spomen ustanovili „Trofej Aldo Prodan“ koji će osvojiti najbolja jedrilica po

korigranom vremenu na prolasku prvog dijela navigacije u Rovinju. Ive i Aldo će nam nedostajati svojim iskustvom, ali i smislom za šalu koji su dijelili sa svima te ćemo u njihovo ime popiti jednu pivu koju su tako često znali popiti s nama nakon dobro obavljenog posla.

This year's Cres sailing week will not be the same as the last ones. A mighty illness has left us without two friends whose names were almost always on our lists of members of Race committee or International jury on our regattas in Cres. Ivan Domijan and Aldo Prodan we shall remember above all as good friends, but also as great men who lived for sailing and also with it. They practically spent their whole lives by the sea and sails, Ive in his Galeb and Aldo in his Uljanik. There are so many regattas and sailed miles after them, equally many lifted race signals, marked starting and finishing times, put buoys...Despite of being the oldest member of the Race committee, Aldo was always on the first finishing line of the navigation in Rovinj. In his behalf we founded a «trophy Aldo Prodan» for the best sailing boat in corrected time on the first passage of the navigation in Rovinj. Ive and Aldo's sense of humor and a very long experience they shared so gratefully with all of us will be missed a lot. We will have a beer for them just the way they liked to do after a job well done.

Ovogodišnji Creski tjedan jedrenja na žalost neće biti isti kao prethodni. Teška bolest odnijela nam je dva prijatelja čija su imena gotovo uvijek bila na popisu članova regatnog odbora ili

svojim iskustvom, ali i smislom za šalu koji su dijelili sa svima te ćemo u njihovo ime popiti jednu pivu koju su tako često znali popiti s nama nakon dobro obavljenog posla.

Jedričarski Klub "REFUL"

Jedričarski klub "Reful" osnovan je u ožujku 1993. god. i trenutno broji preko trideset članova, od kojih su 10 djece od 7 do 15 godina. Rad kluba je zacrtan u tri pravca: rad sa djecom, rad odraslih i organiziranje regata. Upravu u odgovor djece i omladine i u razvijanju pomorske tradicije među mladima, JK Reful vidi prvenstveni cilj svog djelovanja. Zbog toga tijekom ljetnih praznika svake godine organizira besplatnu školu jedrenja za djecu, koju vode iskusni jedričari i treneri. Školu polazi svake godine oko dvadesetak djece, te su u Refulu ponosni što je njihovim djelovanjem oživjela pomorska tradicija koja je dugi niz godina bila zanemarivana. Jedrenjem okuplja djecu i mlade čija je energija i volja usmjerena u sport i zdrav odnos prema moru koje ih prirodno okružuje. Odrasli članovi kluba pomažu djeci u organizaciji sudjelovanja na regatama, ali i sami jedre na krstašima, gdje su na nekoliko regata postigli značajne rezultate.

Najbolje rezultate postigao je Igor Marenić koji je četiri puta bio član hrvatske reprezentacije na Svjetskom prvenstvu klase Optimist gdje je osvojio peto mjesto u pojedinačnoj i treće mjesto momčadski. Dalibor Štrbac nakon optimista jedri u klasi 49er, zajedno sa Josipom Kršancom s kojim je jedrio i u klasi Europa.

Jedričarski klub "Reful" je do sada organizirao trideset međunarodnih regata u različitim klasama od toga dva svjetska prvenstva za policajce klasi krstaš i dva Državna prvenstva za klase Optimist i 420. Svake godine u listopadu organizira tradicionalni Cres Cup za klase optimist 420 i 470, a sa SCOR-om je suorganizator IMS regate u lipnju od njenog početka prije 9 godina.

Sailing Club "Reful" was founded in March 1993 and at the moment it has more than 30 members, out of which 10 children age between 7 and 15. Club's activities consists of working with children and adults, and organizing regattas.

Education of children and teenagers, while developing maritime tradition among them, is considered to be "Reful's" main purpose.

Every year, during summer holidays, the club organizes free sailing school for kids run by experienced sailors and coaches who direct their will and energy into the sport and respect for the sea, helping them organize their participation on the regattas.

The school gathers around 20 young sailors every year and "Reful is proud" to have contributed to the revival of the maritime tradition, that was neglected for years.

Best results among youngsters were achieved by Igor Marenić who participated at the World championship of the Class Optimist for four times as a member of the Croatian national selection. His best results were 5th place in individual and 3rd in team racing.

We should also name Dalibor Štrbac, who sailed in the Class Optimist and now participates in the Class 49er, together with Josip Kršanac. Together they also sailed in Class Europe. Up till now, Sailing Club Reful has organized 30 international regattas for various classes, among which two world championships for policeman of the Class Krstaš and two national championships for Class Optimist and 420.

Every year in October, the Club organizes the traditional Cres Cup for Classes Optimist, 420 and 470, and is traditional co-organizer to SCOR's IMS regatta in June since its beginning 5 years ago.

Riječki jedričarski Klub, SCOR

Riječki jedričarski klub - Sailing Club of Rijeka, SCOR osnovala je grupa mladih ljudi, s velikim jedričarskim iskustvom i jedinom željom da u svojem gradu i regiji pokrenu aktivnije bavljenje jedrenjem dajući tom sportu značaj kakav mu u jednoj pomorskoj zemlji zasigurno pripada. Klub njeguje isključivo vrhunsko sportsko jedrenje i bavi se organiziranjem sudjelovanja članova na regatama u Hrvatskoj i inozemstvu na kojima postižu izvrsne rezultate, organizacijom regata te sudjelovanjem članova u sudenju i vođenju regata u međunarodnoj i međuklupskoj suradnji. Riječki jedričarski klub u zadnjih je dvanaest godina organizirao 47 regata od kojih 3 svjetska, 3 europska, 6 državnih prvenstava, 22 međunarodnih i 13 nacionalnih regata. Njegovi su članovi vrhunski hrvatski sportaši koji su predstavljali Hrvatsku na najznačajnijim svjetskim regatama, ostvarivali planane među 10 najboljih na svijetu i u Europi, pobjeđivali na niz međunarodnih regata i državnih prvenstava, ali i međunarodni jedričarski suci, od kojih je Neven Baran, predsjednik SCOR-a prvi hrvatski sudac na najprestižnijoj jedričarskoj regati America's Cup.

Međunarodni jedričarski savez je i u ovoj godini povjerio organizaciju IMS Europskog prvenstva nakon niza značajnih međunarodnih regata održanih u Cresu: IMS 600 Svjetskog prvenstva 2004, IMS Europskog prvenstva 2003, IMS Mediteranskog prvenstva 2004, IMS Srednjeeuropskog prvenstva 2005 i 2006 također u Cresu. Ova su natjecanja od ogromne važnosti za razvoj domaćeg jedrenja i učvršćuju poziciju Hrvatske na svjetskoj karti jedričarskih destinacija.

The Sailing Club of Rijeka, SCOR, was founded by a group of young people with great sailing experience and a simple wish to make sailing more popular in their city and region, and giving it the importance it deserves in a maritime country like Croatia.

The Club is mostly passionate about top competitive sailing and their members compete on regattas in Croatia and abroad achieving remarkable results. It is keen on organizing sailing events and their members contribute in judging and running sailing events at both international and inter club level. In the last twelve years, the Sailing Club of Rijeka has organized 47 regattas, out of which 3 world championships, 1 European championship, 6 national championships, 22 international and 9 national regattas.

It's members are Croatia's top athletes who have represented Croatia in most prestigious world regattas and have achieved results among top 10 world and European champions. They have won a number of international events and national titles. Also, some of it's members are international judges, including Neven Baran, the president of SCOR who was the first Croatian judge on the prestigious sailing regatta America's Cup.

International Sailing Federation decision to entrust the organization of this year's IMS European Championship to Cres and Sailing Club of Rijeka is an award to SCOR for effort invested in organization of top IMS regattas in Croatia in the past 4 years: IMS 600 World championship 2004, IMS European championship 2003, IMS Mediterranean championship 2004, IMS Central European championship 2005 i 2006 also in Cres.

These events are thought to be of enormous importance for the development of local sailing and surely marks Croatia on the world sailing map.

Sve creske regate / All Cres regattas

Kada se na startu Starclima IMS Otvorenog prvenstva Hrvatske od 15-18.07.1999. u Cresu našlo 21 jedrilica malo je ljudi vjerovalo da su tada počeli pisati povijest IMS regata u Cresu. A kada je već iduće godine na Starclima IMS Cres Cupu u rezultatima IMS kategorije bilo 6 jedrilica, a u ORC Club kategoriji samo 2 jedrilice, zasigurno je i veći broj ljudi pomislio da možda i neće više biti takvih regata u Cresu. Ali tako nisu mislili organizatori iz Riječkog jedriličarskog kluba i Jedriličarskog kluba „Reful“, Cres.

Malo je poznato da je upravo nakon te regate 2000. godine postavljen cilj organizacije IMS Europskog prvenstva u Cresu. Ali prije toga trebalo je dokazati da je upravo Cres idealno mjesto za održavanje IMS regate što zapravo i nije bilo tako teško. Jedna od najljepših marina na Jadranu sa svim

odgovarajućim sadržajima, grad bogate povijesti, kulturne baštine, gastronomskih užitaka uz poznato domaćinstvo svojih stanovnika te čisto i ekološko okruženje otoka Cresa već idućih godina počeli su privlačiti jedriličare iz cijele Europe.

Prvo IMS Prvenstvo Hrvatske održano je upravo u Cresu 2001. i okupilo je 15 jedrilica a već 2002 na Starclima IMS Prvenstvu Jadrana sudjeluju jedrilice iz Austrije, Češke, Italije, Slovenije i Hrvatske. I tada dolazi VIP IMS Europsko prvenstvo 2003 i broj od 91 jedrilice koji je nadmašio sva očekivanja i postavio rekord po broju sudionika na IMS Europskim prvenstvima. Nakon toga postalo je jasno da je Cres postao nezaobilazno mjesto na jedriličarskoj karti Europe. Sljedeća 2004. godina ostat će zapamćena po čak dvije velike regate: VIP IMS Mediteranskom prvenstvu u tradicionalnom terminu lipnja i

VIP IMS 600 Svjetskom prvenstvu u rujnu. IMS Srednjeeuropsko prvenstvo 2005 ujedno je bilo i IMS Prvenstvo Austrije, Češke i Hrvatske, a još jedno IMS Srednjeeuropsko prvenstvo održano je 2006.

Ovogodišnje IMS Europsko prvenstvo tako je jubilara 10. regata u Cresu, a Cres Sailing Week ugostuje i prvu službenu regatu klase GP 42. S više od 60 prijavljenih jedrilica sigurni smo da je budućnost Cres Sailing Weeka zajamčena, a ako smo prije 7 godina mogli postaviti kao cilj organizaciju IMS Europskog prvenstva, kada je malo tko vjerovao u tu mogućnost, onda ove godine možemo letvicu podignuti još više i najaviti – IMS Svjetsko prvenstvo u Cresu.

When the Starclima IMS Open Championship of Croatia was held in Cres July 15th-18th 1999 with 21 sailboats, only few people believed they started making history of the IMS regattas in Cres. And when there were just 6 sailboats in the results of the IMS category on the Starclima IMS Cres Cup, and just 2 boats in the ORC Club category, even bigger number of them surely thought that was the end of the regattas in Cres. Luckily the organizers from the Sailing Club of Rijeka and the Sailing Club "Reful" Cres, didn't share their opinion.

It is not well known that after the regatta of 1999, the idea of organizing the IMS European Championship in Cres was made in 2000. First task was to present Cres as an ideal place for holding the IMS regatta, which actually wasn't hard at all. One of the most beautiful marinas in the Adriatic with all adequate contents, the city with rich history, cultural heritage, gastro delights, together with well known hospitality of the people, and preserved surroundings of the island of Cres started to draw sailors from all over Europe in the following years.

The first IMS Championship of Croatia was held in Cres in 2001 with 15 sailboats, and already in 2002 on the Starclima

IMS Championship there were participants from Austria, Czech Republic, Italy, Slovenia and Croatia. And then, in 2003 the VIP IMS European Championship exceeded all expectations with 91 sailboats and set the record in the number of participants on the IMS European Championships. After that, it became clear that Cres found his place on the sailing map of Europe. In 2004 there were two important regattas: VIP IMS Mediterranean Championship traditionally held in June and the VIP IMS 600 World Championship in September. The IMS Central European Championship of 2005 was also the IMS Championship of Austria, Czech Republic and Croatia. And also, there was one more IMS Central European Championship in 2006.

This year's IMS European Championship is a jubilar 10th regatta in Cres, and the Cres Sailing Week is also hosting the first official regatta of the Class GP 42. With more than 60 registered sailboats, we are sure the future of Cres Sailing Week is guaranteed. And if we were able to set the organization of the IMS European Championship as a goal 7 years ago, when not many believed that to be possible, this year we can go one step further and announce – IMS World Championship in Cres.
